To Whom It May Concern,

On behalf of the students, faculty, staff and administration of Cape Fear High School, I would like to thank Ken Freeman for the great work he did for our community on Tuesday, April 1, 2014. Mr. Freeman is an excellent motivational speaker. Throughout his talk, Mr. Freeman commanded not only the attention of our student body but they all respected his extremely honest and truthful message. His ability to relate with the students of Cape Fear High School make him an excellent choice for any group in need of a motivational speaker.

High School students are always one choice away from impacting their futures in either a negative or positive way. Mr. Freeman's ability to let kids know that no matter where you come from or what your "mess" may be, a great "Message" can come from it. There is no doubt in my mind that after Mr. Freeman's talk with our students will impact our school and our community in a positive manner for many years to come as our students were engaged more than I have ever seen before with a guest speaker.

As the Principal of Cape Fear High School, we have been through many tragedies over the past several years. Whether or not your school, your community or your church has had tragedy or prosperity, one thing is for sure, Mr. Ken Freeman can help reach the hearts, minds and souls of your youth and show them how they can become successful in any environment.

Sincerely,

V. Lee Spruill III

Principal, Cape Fear High School
