Troy, Tennessee 38260

Linda Crigger, Principal  
Craig Rogers, Assistant Principal  
Tommy Victory, Assistant Principal

To Whom It May Concern:

Ken Freeman presented his Choice 101 to the student body of Obion County Central High School Monday August 30, 2010. The entire student body of 950 students was able to participate in the event. I will have to say that Mr. Freeman's presentation was very inspirational and not only did the students receive a blessing from this, I had many of my teachers to comment on his presentation.

All schools in the U.S. need to have the opportunity to hear Mr. Freeman. When choosing assembly programs, you sometimes wonder if you made the right choice and in this case, it was definitely the right choice to have Mr. Freeman. This was a positive experience for Obion County Central High School student body, faculty, and staff.

Sincerely,

A handwritten signature in cursive script that reads "Linda Crigger".
