Mr. Freeman,

This morning we had the privilege of hearing you speak. Never before have I seen our high school and junior high students so engaged in a message. Your ability to speak their language while giving them a powerful message was amazing. Thank you so much for making the time for us. Our school is a small West Texas 2A school, and the audience you spoke to was one of about 350. You touched on topics that are pertinent to our kids. I just can't thank you enough for your gift of time to us.

Sincerely,

A handwritten signature in cursive script that reads "Carrie Conley".
