To Whom It May Concern,

This letter is written as a follow-up to Ken Freeman's presentations at Dinwiddie Middle School. Mr. Freeman did four separate assemblies for us, reaching over 1200 students and staff. His presentation was relevant and well received. His message of people having choices was right on; making the right choice is one of our basic behavioral expectations. His inspirational story of his background had students coming up at the end of the presentation saying that they too had similar home conditions. The students were able to identify with his message and hopefully came away with a different perspective on their situation and life. I would highly recommend Mr. Ken Freeman to any school group.

If you need any additional information, please give me a call at (804) 469-4384. Again, it was a pleasure having Ken Freeman speak to my students and staff.

Sincerely,

Alfred M. Cappellanti
Principal
