To Whom It May Concern:

On August 26, 2009, we were fortunate to have Mr. Ken Freeman come to Midwest City High School and speak to sixteen hundred students on "Making Choices". He was the best motivational speaker I have heard in my twenty years in education. Ken got down on our student's level and added humor and lots of personal experiences to some very serious issues. He involved the students throughout the assembly which kept their attention for forty-five minutes. It truly was amazing when Ken was speaking and sharing stories with such a large audience that you could have heard a pin drop. Everyone loved his message and style of communication. He is always welcome at Midwest City High School and I hope that he will come back and speak with our students again.

Sincerely,

Daryla S. Combs

Mission Statement

When the young people of Mid-Del enter our schools, they will be safe.

When they enter our classrooms, they will be challenged.

When they leave our schools, they will be ready.
