TO WHOM IT MAY CONCERN:

I am pleased to write this letter of recommendation for Mr. Ken Freeman. Mr. Freeman has spoken to our student body at Tuttle Middle School for the past two years. He is always well received by our students and is able to keep all 400 of them engaged in the presentation. He is able to readily communicate with our students because he speaks to them on their level.

I believe that Mr. Freeman makes a positive impact on any audience that he addresses, and I can recommend him to anyone without reservation.

Sincerely,

A handwritten signature in black ink, appearing to be 'S. Moore', with a long horizontal flourish extending to the right.
