To Administrator,

On Monday, November 14, 2011, Mr. Ken Freeman spoke to the student body Big Spring High School, which is a total of about 970 students. As a high school principal of 10 years, you can imagine my hesitation in gathering our entire student body to listen to a motivational speaker. After one minute into Mr. Freeman's message, I knew we had made a very good CHOICE in allowing Ken to speak to our students. His subject was about CHOICES and he instantly captivated ALL 970 students. As a colleague of yours, I personally encourage you to consider Mr. Freeman as a speaker for your students. I am confident he made a difference in many of the lives of our student body today. I believe that if other students have the opportunity to hear Mr. Freeman, it will begin to change the Outlook of our society as I feel it will for Big Spring. If you have any questions, please feel free to contact me at Big Spring High School.

Respectfully,

Mike Ritchey  
High School Principal
