On Monday October 20, 2014, Ken Freeman came and spoke to our junior and senior classes about making good choices. Ken did a terrific job and the students really benefited from his message. The students also engaged with Ken and found him to be really funny. After he spoke, many students stayed after just wanting to speak with him. Mr. Freeman was very professional and his message pertained strictly to life choices. I would certainly recommend having Ken Freeman speak at your school.
