To Whom it May Concern,

I would like to recommend Ken Freeman to visit with your students. Ken brings a great message about choices that our kids need to hear. They need to hear it from someone who has lived through some difficult times. The kids will laugh, and they will enjoy a very good program.

Sincerely,

A handwritten signature in black ink that reads "Paul Allen". The signature is written in a cursive style with a long horizontal line extending to the right.

Paul Allen
