To Whom It May Concern,

My name is Althea Dixon, and I am the principal of Paris Junior High in Paris, Tx. Our student body of approximately 520 students had the privilege of being "awed" by Mr. Ken Freeman. As a principal, I am always looking for speakers that can deliver an awesome, life changing message to a group of middle school students.

Mr. Freeman had our students spellbound with his phenomenal performance. His message was easy for our students to grasp and retain. His messages about choices is something that all of our teaching staff and administration can piggyback off of for the rest of the school year. It is a message that every kid in American needs to hear.

Sincerely,

A handwritten signature in cursive script that reads "Althea Dixon".

Althea Dixon

Principal, Paris Junior High
