To Whom It May Concern:

Mr. Ken Freeman presented a dynamic assembly today at Travis Junior High. His presentation regarding life choices was captivating and inspiring for our 260 eighth graders, as well as our faculty and staff. The interactive program was excellent and really kept students focused on his powerful message. Ken most definitely made a connection with our students.

Several of our students have attended his evening program, while others have made plans to attend tonight after hearing his powerful message this morning. Several students shared with me that this was the best assembly they have been to in a long time.

Thank you Ken for sharing your life changing message with our students and faculty.

Sincerely,

Merita Head  
Counselor
