To Whom It Concerns,

Mr. Ken Freeman spoke to approximately 1,000 students at Lee Middle School on Monday, November 5, 2012. Mr. Freeman was able to sustain the attention of these grade 6-8 students, even despite our technical difficulties with the microphone. The "Choices 101" assembly was meaningful, interactive, relevant, and eye-opening for students. I would highly recommend Mr. Freeman speaking to any group or organization, as his story touches all ages and groups. If I can be of further assistance, please feel free to contact me at 325-947-3871.
